A phone for campers' emergency use is located in the Camp Office. Cell phones: no service. Wi-Fi: coming in 2013.

Sack lunches available by request for campers who expect to be away from camp during the day. Enjoy your meals in our rustic lodge or outside on the patio.

About SLCA

The Silver Lake Campers Association is a non-profit group that has worked to support the City of Stockton's operation of Silver Lake Family Camp for more than 60 years. In the past, the Association has provided "those little extras" that enhance the Family Camp experience. In 2009, the Campers Association was authorized by the City of Stockton to operate Silver Lake Family Camp for the benefit of all those who want to make Silver Lake Camp a part of their vacation plans.

Activities

During Family Camp your family and friends can enjoy a variety of recreational and social activities. Take part in our weekly Variety Show presented by and for the Campers. Enjoy a sing-along or skits by the campfire. There will also be hikes and activities for kids and adults during the day. You may do Arts & Crafts or

Archery, play Volleyball or Horseshoes or just relax. Evenings include Karaoke Night, Campfires, Bingo, Variety Shows, and Game night, often more.

Campers are also free to plan their own adventures. There are many hiking trails within a short distance of camp; swimming, kayaking, and fishing at the lake; or simply relaxing under the trees or enjoying a walk in one of the wildflower-filled meadows near the camp.
